50 YEARS OF SERVICE

It is with great pleasure that I serve as Grand Knight of Council 4970 during this 50th year of our founding. This booklet, that has been prepared with hard work by a number of Brothers and our Lady Knights, reflects much of our wonderful accomplishments over 50 years. We are missing some of those early years and I ask if any of you have material to share, let one of our members know, and we will be pleased to share your memories. We, as did our past members, serve in the spirit that we Knights took an oath to do.

We are blessed to have two of our Charter Brothers with us, Vince LaBate and Erik Nooren. These two Knights dedicated much of their time to the Order and have shared in the 50 years of experience in service to our Council.

We honor these Brothers at our 50th Anniversary Celebration.

With God's grace we will continue to be the best Council we can be. We have certainly received so many awards over the years, but we will not stop serving, we will march on, united together and bonded with mutual support, encouragement, dedication and steadfast faith. May our Blessed Mother, our servant of God, Blessed Father Michael J. McGivney, protect and prayer for us always. Vivat Jesus!

Donald Harmata, Grand Knight

COUNCIL 4970 OVER THE YEARS

Our council was founded on May 10, 1960 by a group of dedicated Knights who saw the growth and the obvious need in the Arden-Carmichael area for a separate council. At our beginning we met in a converted WWII building (Xavier Hall) on the grounds of Saint Ignatius of Loyola Parish. Shortly thereafter we moved to another WWII building (The Cottage) on the grounds of Our Lady of the Assumption Parish which was more centrally located to the five parishes we served at that time, St. Ignatius of Loyola Parish, Presentation Parish, Our Lady of the Assumption Parish (OLA), St. John the Evangelist Parish and St. Philomene Parish. Since that humble beginning we have grown to over 200 men and their families. A few years ago members from St. Philomene Parish formed their own council, but we brought in Holy Wisdom Parish. We are still centrally located at OLA but have moved from the Cottage to the newer ministry building, St. John Hall, for our meetings.

In 1981 Articles of Incorporation for Arden Carmichael Inc. were filed with the State of California for the primary purpose of establishing a base for acquiring a permanent home for the council. The Corporation started small with cake sales and garage sales. However, in 1985 through the effort of PGK Wil Fontaine, we started a bingo program which almost depleted our treasury that first month - December 1985. With persistence and blessings from above, we made it through 1985 and 1986 with a growing treasury. Although we were hosting bingo for over 400 players, the location was not convenient for most of our members. With many tears from our patrons, we ceased operations in December 1986, and then a year later we found a new home at Fantasia Bingo Center near St. Ignatius Parish on Arden Way. For seven more years we had one of the most successful operations in Sacramento County. After Bingo (AB) our Directors were fortunate to invest much of our treasury again successfully. Now we are more conservative with our investments, but still generate sufficient funds to donate over \$15,000 annually to charitable church, community and youth programs.

As we are now ten years into the 21st Century, we have already achieved, more than once, the highest recognition by our Supreme Office, Star Council. We could not have achieved this status without those that went before us nor without the hard work of our current 200 plus Council members and their families. Thus, we continue to move forward, in charity, unity, fraternity and patriotism.

Unity is important for our Church and our Order. United as 1.7 million Catholic men and family members, we are the strong right arm of the Church. The real power of the Knights of Columbus lies in unity through prayer to the Blessed Virgin Mary and her rosary, which every member receives on his First Degree, as she brings us to her Son, Jesus Christ, in the Eucharist, which is the source and summit of our faith. How grateful we are for God's infinite goodness to us Knights and families. How thankful we are in knowing that God helps us in our weakness and gives us the strength we need in good times and bad. Should our unity be weakened or shattered through lack of dedication to oneness in the Lord, God has given us the means to restore it. Unity in the Lord means unity in our Council as we move forward in 2010 and beyond our first 50 years.

Dear Donald:

On behalf of the Faith Family of Our Lady of the Assumption Parish and School, we congratulate the Arden-Carmichael Knights of Columbus Council 4970 on the 50th anniversary of its formation on May 10, 1960.

Over these 50 years, Our Lady of the Assumption has been your host parish. OLA Parish is honored to have received spiritual, financial, and physical support from the Council. We have received support from the Council in a number of programs, such as the renovation of the current Extension building, construction of the grotto for Mary and as a Country Fair booth sponsor for many years.

We also applaud you on behalf of our youth. Scholarships for our school's 8th graders and pancake breakfast fundraisers stand out. Your essay, speech, free-throw basketball, and coloring contests allow our youth to participate in a variety of activities and receive monetary awards as well as certificates. We pray that you continue your programs which offer our youth the opportunity to receive community service hours toward confirmation and programs here at Our Lady of the Assumption. Your annual program to assist the physically challenged so they may attend Camp ReCreation shows our youth one of the many benefits of your good stewardship.

We thank Council 4970 for their 50 years of service to our community and pray that the years ahead are filled with the Holy Spirit and you continue your ministry with success.

Yours in Jesus the Christ,

Resolution on Achieving 50 Years of Service

Dear Brother and Sir Knight Donald Harmata
Grand Knight, Knights of Columbus Council 4970

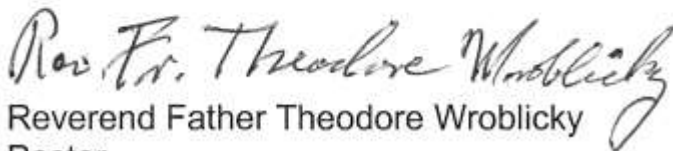

Congratulations!

Father William Dohman, the undersigned, and the parishioners of Holy Wisdom Eastern Catholic Parish salute you and your Brother Knights on your fifty years of service to God's Church and His people. Holy Wisdom, although young in age, has benefited much from the work of Council 4970.

I am reminded of Our Father's charge to each of us, in the first chapter of Genesis, shortly after He created the world, He gave mankind dominion over His creation! By this act, each of us became stewards of what God had just created. The Knights of Council 4970 have heard that directive and have more than fulfilled this mandate to be "good and faithful stewards."

May God grant to the Knights of Columbus many years. May you be blessed with health and salvation as you strive to build up God's Kingdom on Earth.

Thank you for your dedication and service.

Grand Knight's message

IT ONLY HURTS WHEN I LAUGH

Sweat, sweat, sweat... We desperately need your reply to the Turkey Cheer admission ticket and raffle ticket letters we sent you. We can't determine the quantities of food and drink to purchase until we know how many of you will attend. More important, we need your timely support (ticket payments) at the earliest possible date.

Prompt payments are required to fund the advance expenses for hall rental, music, food and the like. Should your circumstances prevent payment until the night of the Turkey Cheer, please phone John Vasallo (485-8082), by 16 November so we can adjust our purchases to allow for last minute attendance.

Intermission entertainment will be provided by the KARILAGAN DANCE TROUPE of the Filipino Cultural Group. Their graceful and picturesque performances have always met with enthusiastic audience reception. Theirs, as an example, will be the featured dance troupe at the next Camellia Festival.

Dancing to "HAVE MUSIC, WILL PLAY" by Fran & Eddie Reese all add up to a very enjoyable evening. Their recent engagement at St. Ignatius Barbecue accounts to their popularity. Every effort is being made to provide smooth and speedy table service during dinner. Again, since all profits will go to Christmas charities, it's your chance to be a big part of it all and have a grand time in the process. Enjoy in the certain knowledge that your attendance will help those unfortunates who would otherwise endure a dismal Christmas.

Raffle tickets in this respect are moving very slowly. It takes a relatively small effort to sell more of these tickets. Please look into your heart and contact John Vasallo for additional tickets. Let's make this our first Centennial fund raiser, an outstanding success. After all the Grand Knight won't get his color back until the admission tickets and the raffle tickets start moving. Selling them to friends and relatives will assure his accelerating recovery. Turkey donations (\$15 per certificate) and door prize donations are still being sought to fill our announced quota.

HAVE TOOLS, WILL TINKER

Those of you who were warm and dry during our rainy open house night owe it to our two trouble-shooters extraordinary. The roof which was leaking like a sieve is now water-tight owing to the timely labors of Pete Narloch and Merle Stracke.

NOVEMBER CENTENNIAL COMMENT

Recently a member of the California Highway Patrol was "shot down" in the performance of his duty, he was a Catholic gentleman and left two small children along with his wife. Unfortunately, he was not a Knight of Columbus. Had he been a member of our Order his children would have been provided with a four (4) year Catholic College education at our expense. We discovered that this program is not generally known. Why not get the word out to your local police and fire departments. Perhaps you may be able to acquire additions to your membership. A word to the wise should be sufficient.

In the same vein the Parochial Schools Scholarship Committee offers five \$500 scholarships to students of Knights' families: Two for religious vocations and one each to the University of Loyola, USF and Santa Clara. Only fifteen applications were received during the last Columbian Year. So let us know if you are interested.

POST NOTICE—Three bills exceeding \$100 will be presented for acceptance at the November business meeting in support of the Turkey Cheer Dinner Dance as follows: Music \$150, Food \$200, and Hall Rental \$125.

ALTAR SERVER'S PICNIC

Our Council will once again join with the Sacramento Serra Club to put on a picnic for altar servers from the greater Sacramento area parishes at Jesuit High School on Saturday, July 17. The day will begin with swimming at 10 AM, Mass at 11 AM, and lunch (hamburgers and hot dogs) at noon. There will be a raffle for prizes following lunch. If you would like to help by supervising the pool, cooking, serving, or by donating small raffle gifts, please contact Phil Bruce at 481-2573.

WEEDING FOR JESUS

Brother Joe Helwig has organized a gardening crew that from time to time lends a little effort to weeding the rose beds and anything else that needs doing at St. Ignatius parish. If you would like to be called about helping, please contact Joe at 481-0787. If you would like to organize a similar effort at another parish, please ask Joe how he went about it.

CHAPLAIN'S MESSAGE:

Our prayers in this time of war are obviously for our country, our troops, our leaders and the leaders of the world. Our prayers must also be for our enemies, for a change of heart.

Sadness surely must dominate our minds and hearts at this tragedy of war. Revenge and gloating are not for us as Christian people. Our thoughts must be in trying to understand all that led up to the war so that we can avoid, in the future, any mistakes that we have made in the past. Though real problems will remain after the war is over, we must try to understand them, to bring about a just and lasting peace.

In our own more immediate lives, may Christ's love enable us to see others with greater understanding and compassion so we will be peacemakers in all difficult relationships.

Rev. John Ferguson S.J.

GRAND KNIGHT'S MESSAGE:

Hi Brothers! We're just into a new year and already so much is happening around us. It is keeping us busy in many different ways.

Council-wide our Youth Director, Ed McElroy, has organized and just completed the councils Youth Free Throw Contest in our parish schools. The winners will be going to the district level this month, and if they succeed they will be at the Chapter level, followed by the State competition in March. Thank you Ed, and good luck to the winners.

Brother Ed also has begun the Essay contest for the 7th and 8th grade students, with the winners being decided by the end of February.

Another chance for everyone to get together to celebrate Mass as a Council family will be at the Corporate Communion at the 10 a.m. Mass at St. John the Evangelist on February 17th, with breakfast afterwards.

We are entering a special time of the Church year, with Ash Wednesday, February 14th beginning our Lenten Season. God's peace and love to all.

CHUCK'S CORNER

JUST KEEP ON DREAMING

CHUCK CUNY, PGK

A dream is a fuzzy place, sometime comforting and entertaining and other times scary, even terrifying. Dreams appear as a series of images and sensations that occur involuntarily while in a resting state. Some dreams occur during the night sleep where we seem to restructure the affairs of the day. Others are day dreams that often portend future achievement, aspirations or dread.

The many explanations of dreams are almost as fuzzy as the dreams themselves. Some believe the sensations of the day are tucked away at night and, as the mental banks are disturbed, they releases images and emotions that are linked to the images. Some believe the process of creativity comes from the free flow of sensations that are recombined in a dream state. Many believe that dreams can be analyzed to learn deep secrets hidden in the subconscious mind. There are still many other equally "fuzzy" dream explanations offered especially by psychologists and spiritualists.

The dream state involves mental wandering. In an alert state, the mind has control. Then there is a stream of consciousness where the mind seems to inadvertently wander away from the controlled process and generate spontaneous thoughts. Some suggest that the mind has a continuous internal dialogue and the alert state is simply an interruption of the dream stream. This loss of attention is described as a decoupling from the task setting agenda which suggests that there is competition between internally subconscious thoughts and externally generated activities, each attempting to gain access to the central mental network.

The night dreams generally are out of control, although with practice, some people have been able to exercise some control. But it is the diminishing of the aspiration daydreams that is most disconcerting. When we are young, there appears to be a world of opportunity. Sometimes these aspirations are impractical and clash with reality such as the desire to be a great athlete but not having the coordination. A young man's dreams are like a rubber ball, they strike the ground and bounce back and reshape themselves into another ambition.

Some daydreams are often very practical. They provide the early visualization for some short-term goals. But it is the future aspirations that tend to suffer. As a person ages, they lose the elasticity of the dream and bouncing back becomes harder. The number of aspiration options is reduced and often they seem to let the dream fade. A life without a dream is very drab.

Dreams are part of the process of becoming. They portend our participation in some future event. They set goals for us, often not realistic but necessary. Dreams influence our life and vitality. Many things depend upon and can be gained from our dreams such as better physical and mental health, a better outlook on life, creative learning and even financial success.

Dreams are our future. Dreams give us a purpose, enhance our self-esteem and give direction. If you have begun to let your dream fade, perhaps it is time to breathe new life into them, and just keep on dreaming and look forward to enjoying life again.

Msgr. PATRICK MICHAEL NOLAN
September 10, 1924
December 7, 2006

The big Irishman now has his new assignment as he concluded his long journey home on December 7, 2006. After 82 years, with 56 years as a priest, the homesick lad, living in this foreign land called America, obtained permission to go home, beyond Ireland to that heavenly home where we all seek. A very intelligent and compassionate man and dedicated servant of God, he will be sorely missed by his Brothers in Council 4970 but all those who knew him. Rest in Peace Patrick.

MSGR PATRICK NOLAN RELIGIOUS APPRECIATION NIGHT FRIDAY EVENING, FEBRUARY 16TH

Brothers, we again take time to pay respect to our religious, those who administer to us and who spiritually guide us, our families and our friends throughout our lives. We honor our Priests, our Sisters, our Brothers, and our Deacons on Friday evening, February 16th, starting at 6:30 PM at St. Ignatius Parish Center. In honor of our beloved Chaplain Msgr Patrick Nolan the event will forever more be called the Msgr. Patrick Nolan Religious Appreciation Dinner.

Please assist the committee by making them aware of those religious that you know and respect in your parish or other religious venues in our general Council area. We will work with you and invite them to be our guest.

We request your donation of \$25 per person to support this program including dinner and presentations for our honored religious. Since this is a catered event, we must have your confirmed or paid reservations in advance. For reservations information or if you have any questions or names of religious to invite, please call our Chairmen, Tom Robbins at 971-9389 or email Robbins@tonysfinefoods.com with any suggestions you may have.

The Fallen Jesus Project is an effort by Knights of the Council to resurrect the fallen corpus of Christ recently found in a secluded area of St. Ignatius parish.

The life size body, even with a few chips, is stunning in its beauty. The wood of the cross, however, is gradually deteriorating as the winter waters and summer sun beat mercilessly on the fallen Jesus. The cross has lain for years unseen by the many parishioners of the church as steel bars restrict access to the area

Lt. Col. Kevin Holeman (center) of **Arden-Carmichael Council 4970** is welcomed by his family after returning home from Afghanistan. Holeman, a 20-year veteran of the U.S. Army, was one of two council members returning home from active service. The other, Sgt. Prior to our December 2010 business meeting we had a short talk by Colleen Branagan from the Sacramento Life Center. She described the Center's ongoing project that includes buying an RV and equipping it with an Ultrasound machine. When Ultrasound pictures are shown to pre-abortive women, 85% of these women decide against abortion. The Knights of Columbus are strongly supporting this project, and each Council is expected to donate monies toward the ultrasound machine.

The mobile Ultrasound van will travel around the area to the abortion clinics. Funds have already been received to buy the van. Now funds are needed for the ultrasound device. Chapter is looking for \$12,000 that Supreme will match to buy the device. At our December business meeting we were proud to receive over \$350 in free will donations from those Brother Knights at the meeting. This amount was matched by two brothers at the meeting making our donation over \$700. What a great group of brothers we have. (Additional donations were made following this January 2010 Paladin article).

Every Brother Knight is entrusted to the care of Mary, the Mother of Jesus, Mother of our Redeemer, Mother of our Church and the Patroness of the Knights of Columbus. We entrust the soul of our Brother Knights' to her, that she may present them to Her Son. By their death, our Council has sustained the loss of exemplary Catholic men and worthy Knights. PRAYER FOR POPE BENEDICT XVI

Lord, source of eternal life and truth, give to your shepherd, Benedict, a spirit of courage and right judgment, a spirit of knowledge and love. By governing with fidelity those entrusted to his care, may he, as successor to the Apostle Peter and Vicar of Christ, build your Church into a sacrament of unity, love and peace for all the world. Amen.

V/ Let us pray for Benedict, the pope. **R/** **May the Lord preserve him, give him a long life, make him blessed upon the earth, and not hand him over to the power of his enemies.**

V/ May your hand be upon your holy servant. **R/** **And upon your son, whom you have anointed.**

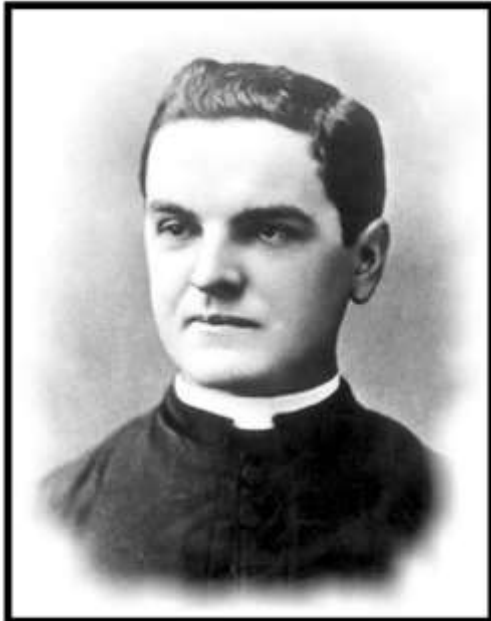

Our Father... Hail Mary... Glory Be...

KNIGHTS OF COLUMBUS PRAYER

O Almighty and Eternal God, Lord of the Universe, sustain us, we beseech Thee, o'er the course of "life's tempestuous sea". Keep us, we pray Thee, secure within the Bark of Peter, ever trustful of Christ and his Vicars to guide us along the ways of peace and prosperity. May Jesus, Our Savior, preserve us in the unity of the Holy Faith and confirm our hopes of sharing its treasures with America. Send forth the power and love of the Holy Spirit, that we may be blessed in our efforts to set forth Thy glory in this land under the patronage of Mary's

Immaculate Conception. Let our Fraternity flourish in justice and charity and give eternal praise and glory to the Most Holy Trinity. Be mindful of each of our brothers, departed, and receive them into the haven of eternal peace. *Amen.*

Prayer for the Sainthood of Fr. Michael McGivney

O great and glorious God,

You imbued Your holy priest, Father Michael J. McGivney, with deep priestly virtue and especially with pastoral concern for the poor, the orphan, The widow, for the Christian education of youth, for the protection of the faith of the working man of his day.

Now that his priestly ministry continues to spread to countless millions throughout the world, through the efforts and influence of the order of the Knights of Columbus, which Father McGivney founded, we beseech you, Heavenly Father, to raise Your faithful servant, Michael, to the honors of the altar. We ask this favor through our Lord Jesus Christ and His Holy Mother, Mary and our Mother, *Amen.*
